## Student Transfer Agreement

Student Name: \_\_\_\_\_

Grade Level (20\_\_ - 20\_\_ School Year): \_\_\_\_\_

According to Board Policy FDA(Local), the Superintendent is authorized to accept or reject any transfer requests, provided that such action is without regard to race, religion, color, sex, disability, national origin, or ancestral language.

The following factors will be considered:

1. Availability of space, according to classroom and grade-level enrollment standards and instructional staff.
2. The disciplinary and criminal record of the student seeking admission.
3. The attendance record (including tardies) of the student seeking admission.
4. The academic record of the student seeking admission.
5. Any additional factor not prohibited by law as deemed relevant by the Superintendent.

An inter-district transfer is a privilege rather than a right. A transfer student must follow all rules and regulations of the District. Violations of the terms of this agreement may result in a transfer request not being approved the following year. At the end of each school year, the superintendent will review the recommendation of the campus principal before making a decision. The agreement may be non-renewed for any of the following reasons:

1. The student's attendance fell below ninety-five percent in any semester.
2. The student earned repeated failing grades in any class.
3. The student engaged in repeated minor violations of the Student Code of Conduct.
4. The student engaged in criminal or gang-related activity.
5. The student engaged repeatedly in behavior that hindered the learning of other students.
6. The student's vaccination record became out of compliance with state law.
7. A district administrator determined that a false statement was made on any part of this application.

The transfer agreement applies for one academic school year (20\_\_ - 20\_\_).

By signing below, I authorize Van ISD officials to obtain and review, for the purpose of the application for transfer, copies of the student's records maintained by any school district in which the student has been enrolled, including the district in which the student is currently enrolled, if any.

All **new** and **renewal** transfer requests are considered pending until you are officially notified by the superintendent (up to 30 days). An interview may be required before final approval.
